

Dr Johannes M. Luetz (CHC, UNSW, USC)

Dr Elizabeth Nichols (CHC, UQ)

Spirituality and Sustainable Development: A Review of Contemporary Australian Perspectives and Practices

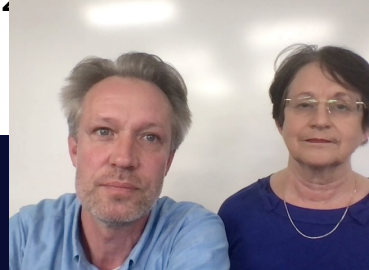

Research for Development Impact Network (RDI) Conference
The University of Queensland (UQ) • 1-2 July 2021

Spirituality-Sustainability Nexus

- Spiritual and nature-embedded way of life (Salmon 2000)
- Spiritually attuned traditional cultures (Ellis et al. 2021)
- Spirituality as “cultural resource” (Hulme 2017)
- Spirituality “motivational force not mirrored by economics or science” (Fair 2018)
- Spirituality closely linked to sustainability (Luetz & Nunn 2021)

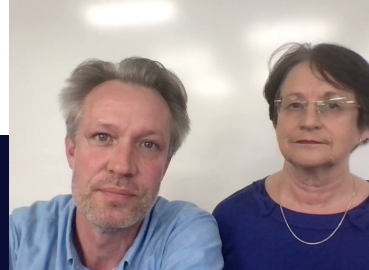

Method

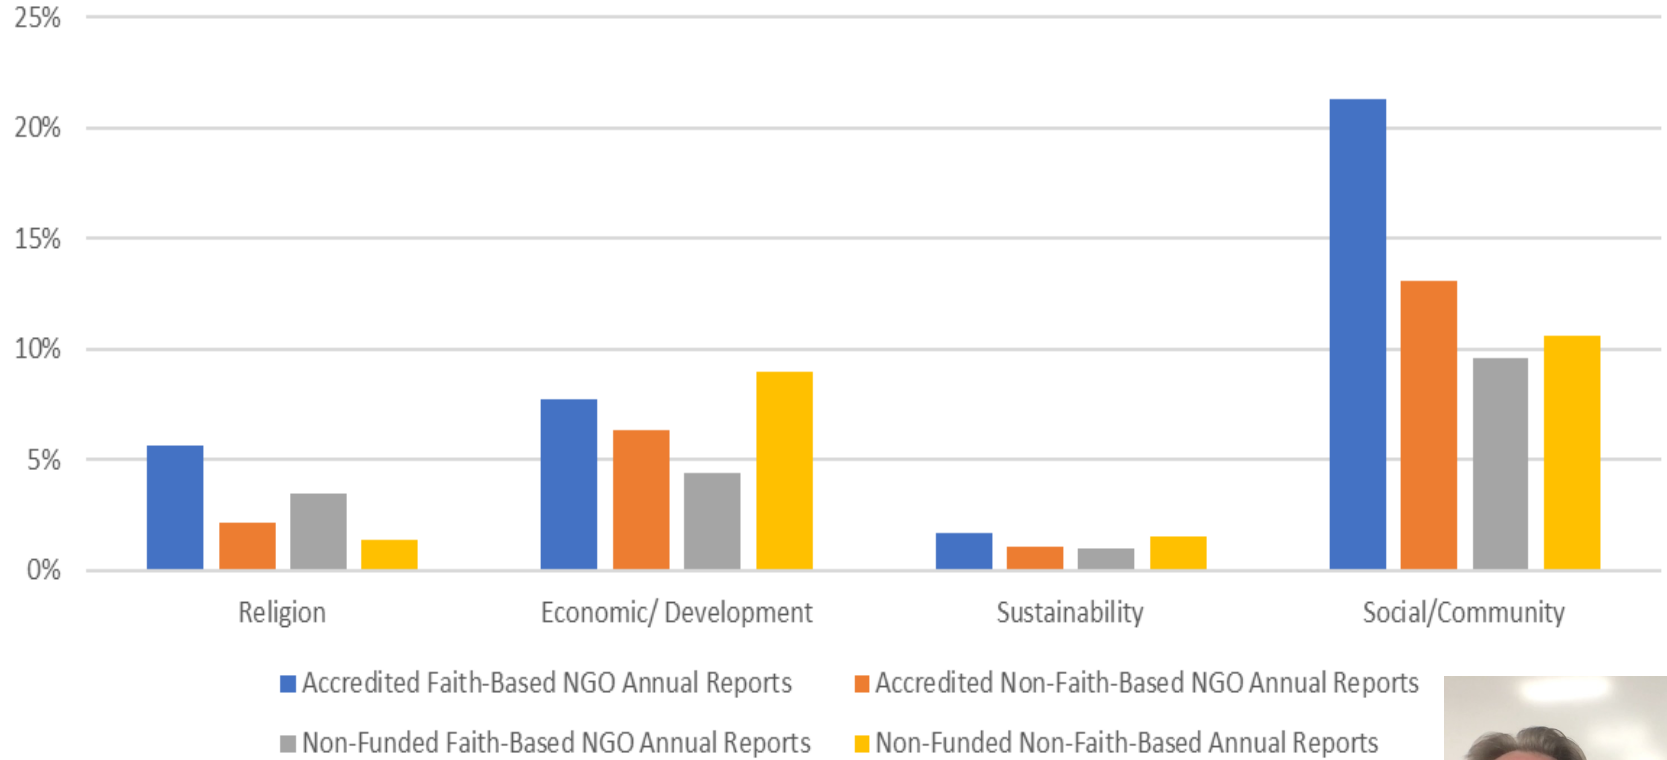

Australian Government

Department of Foreign Affairs and Trade

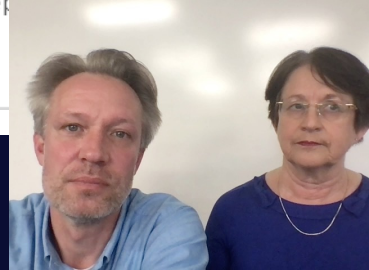

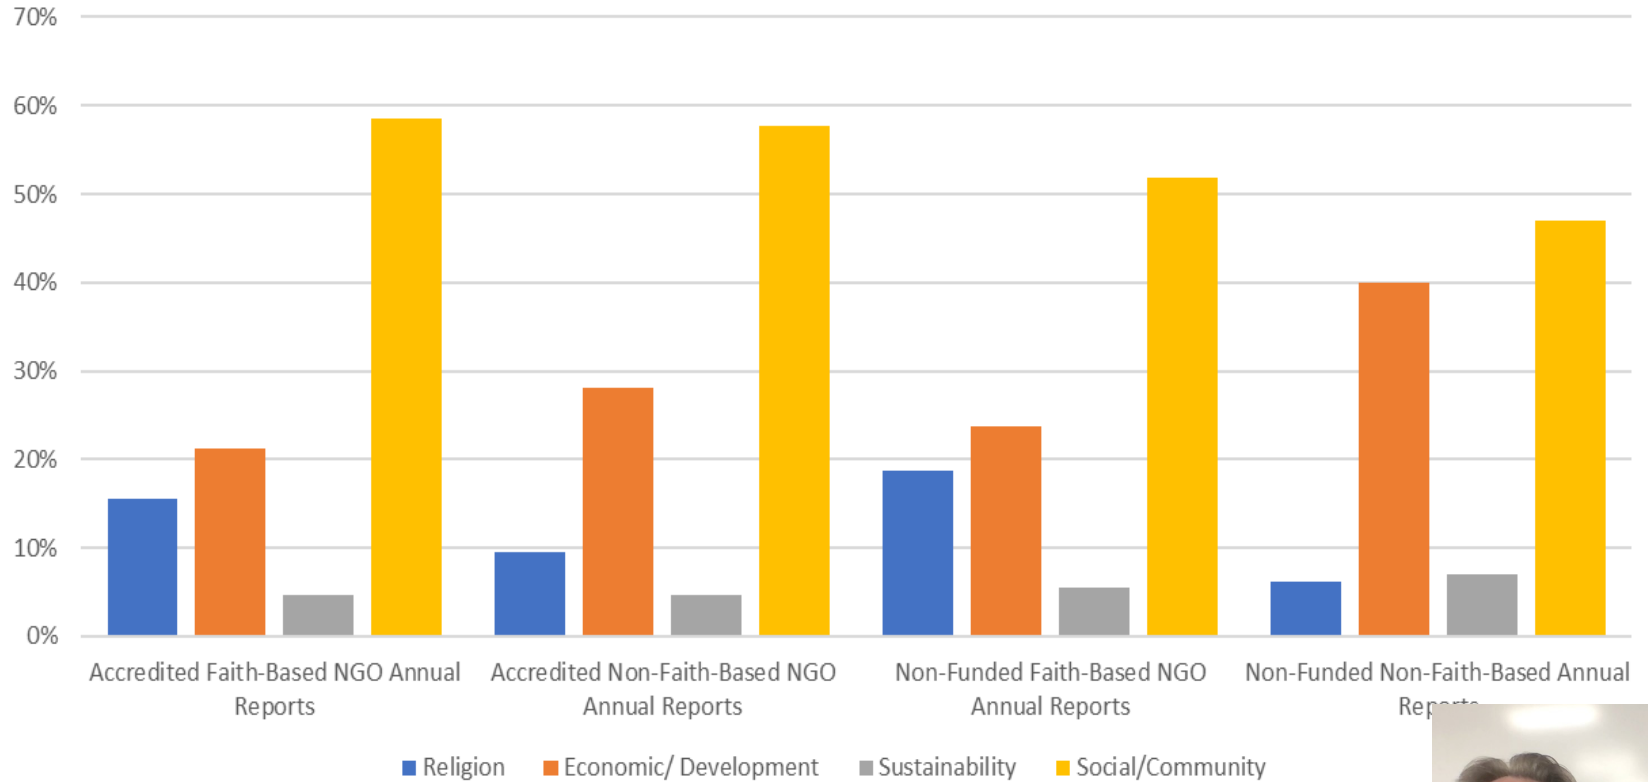

- 40 NGOs
- Four classifications:
 - (A) DFAT Funded – Faith-Based NGOs
 - (B) DFAT Funded – Non-Faith-Based NGOs
 - (C) Non-DFAT Funded – Faith-Based NGOs
 - (D) Non-DFAT Funded – Non-Faith-Based NGOs
- Filtered those who operate in the Pacific

Proportions of key terms and NGO's across all categories

Comparison between different NGO's and key terms
